

Ohara School of Ikebana England Chapter Members' Exhibition 2017 The Colour of Autumn

The Ohara Ikebana School - England Chapter was founded on 16th July 1980 in London. The Chapter started with a total of nineteen founder members and has continued to be a very capable and hard working group of members dedicated to spreading, and enjoying the beauty of Ohara Ikebana. The Chapter holds regular meetings and workshops as well as special workshops and demonstrations by professors sent from Ohara headquarters in Japan. The Chapter has many members from all over the world, and is unique in that there are a number of Japanese members, masters and beginners, either visiting or living in England. All the members enjoy learning each others' Ikebana experiences and also Japanese culture and history.

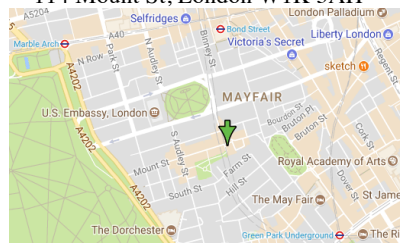

The Ohara School of Ikebana, England Chapter welcomes new members and anyone who wishes to learn more about the traditional art of ikebana.
